# Jerringot Walkway

City of Greater Geelong

## Project Overview:

**PROJECT:** Jerringot Wetlands Walkway, Geelong, VIC

**PROBLEM:**

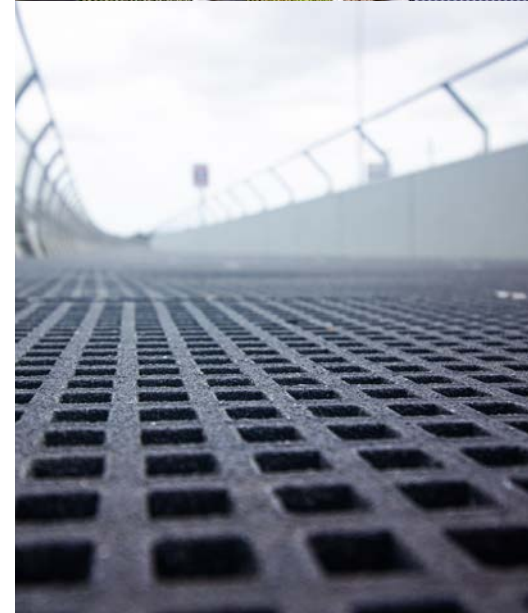

- Extra wide, curving walkway design
- Wet environment
- Ecologically sensitive location
- Busy pedestrian and dog-walking location

**SOLUTION:**

- Easy to cut-to-curve wide-span grating
- Reduce installation time in sensitive environment
- Strong, durable, non-corrosive
- Pet friendly, heel-safe, integrated anti-slip surface

**PRODUCTS:**

- TerraGrate FRP Minimesh grating

# Mt. Sturgeon

Parks Victoria

## Project Overview:

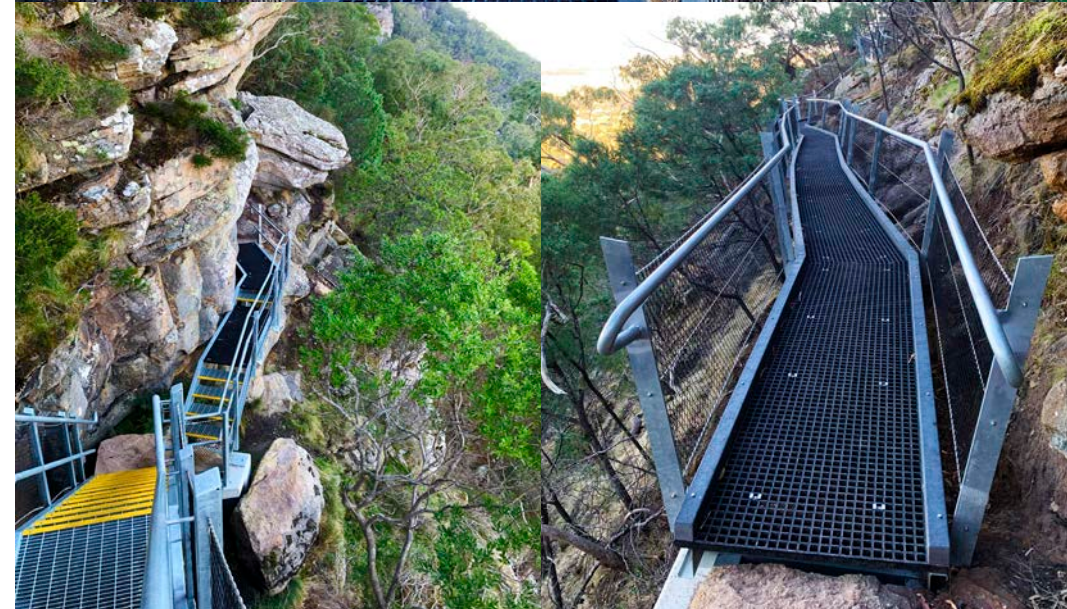

**PROJECT:** Mt. Sturgeon Walkway - Grampian (Gariwerd) National Park.

### PROBLEM:

- Remote Area
- Steep and Inaccessible
- Fire Risk Area
- Complex Configurations
- Required Helicopter Access with weight of load restrictions

### SOLUTION:

- Terra Firma Manufactured Walkway to specific size, weight, and configuration
- Adaptable to different fixtures and framing
- Durable
- Non-corrosive
- Lightweight for optimal load efficiency
- Fire resistant

# Pink Pond

National Gallery of Victoria

## Project Overview:

**PROJECT:** Temporary Pond Installation

**PROBLEM:**

High slip-risk, high maintenance, chlorine environment, complex architectural design

**NEED:**

Non-slip, low-maintenance, non-slip, chemical resistance, colour match, foot-friendly

**SOLUTION:**

- TerraGrate Mini mesh FRP Grating
- Highest P5 Non-Slip Rating
- Colour-matched to architectural designs
- Chlorine resistant

# Eildon Marina

TerraGrate FRP

## Project Overview:

**PROJECT:** Eildon Marina and Mountain Bike Trail

**PROBLEM:**

- Decaying wood
- High maintenance
- High slip-risk

**NEED:**

- Lightweight
- Highest P5 Non-Slip Rating
- Suitable for marine environments
- Low maintenance
- Non-corrosive

**SOLUTION:**

- TerraGrate FRP MiniMesh (FM-Mini)

# Ramada Resort

Wyndham Hotel Group

## Project Overview:

**PROJECT:** Ramada Resort Walkways, Stairs, and Access Paths

**PROBLEM:** High levels of maintenance and slip-risk with traditional wooden walkways

**NEED:** Low-maintenance, non-slip walkway that enhances aesthetic appeal of resort

### SOLUTION:

- TerraGrate MiniMesh FRP Grating
- TerraGrate MiniMesh FRP Stair Treads
- TerraGrate MiniMesh FRP Stair Nosing
- Lightweight
- Highest P5 Non-Slip Rating
- Colour-matched to surrounding infrastructure
- Suitable for aggressive seaside environments
